**Please find below and/or attached an Office communication concerning this application or proceeding.**

The time period for reply, if any, is set in the attached communication.

**ADVISORY ACTION**

Applicant's Amendment AFTER FINAL, filed 20 Mar 2009, if entered would overcome the objection to claim 15 regarding the recited status of the claim.

Continuation of 3.

Applicant's Amendment AFTER FINAL, filed 20 Mar 2009, will not be entered because the proposed amendment changes the scope and breadth of independent claims 1 and 13 which raises new issues that would require further consideration and/or search of the invention as a whole. Claims 4-6, 10 and 15 depend from independent claim 1 and incorporate all limitations therein, including changes to the scope and breadth of the claim.

Continuation of 11.

Applicant's Remarks, filed 20 Mar 2009, have been fully considered and not found persuasive because Applicant's Amendment AFTER FINAL will not be entered as recited above.

/Shaojia Anna Jiang/

Supervisory Patent Examiner, Art Unit 1623
